

October Boosting Brief

OCTOBER OVERVIEW

Align your posts with what Paid is pulling **this month**. On **Meta**, continue fall/Halloween into early October (product in the first 3 seconds), then shift to **holiday preview**. On **TikTok**, prioritize **pet**, **sideboards**, **Halloween**, and **Wayfair Verified**. **Evergreen** in-room, in-use stories work on both platforms all month.

MESSAGING INSPIRATION

Story & hook ideas for **what to say and film** — adapt in your voice (not technical specs).

1 Fall & Halloween hosting

"Quick porch reset before guests..." · cozy dining setup · livable spooky-neutral (mood, not costume catalog)

2 Holiday preview

"Guest room ready in a weekend" · tree & trim · entertaining corner — early peek, not full holiday push

3 TikTok-native beats

Pet + product in the routine · sideboard styling moment · at-home Halloween reveal · Verified badge when the SKU qualifies

4 Evergreen problem → fix

"This one piece fixed my [office / bath / entry / storage]" — one room, one benefit, real daily use

DELIVERABLES CHECKLIST

- Vertical video, **15–45 seconds**, captioned (sound-off friendly) — not a carousel
- **Your captions:**
 - Reels/TikTok: **#WayfairCreator** and **#wayfairelevate**
 - **#ad** when required
- Link in caption or bio if stickers fail

WE BOOST

- **Vertical video** (Reels/TikTok) — creator-native, not ad-like
- Product on screen in the **first 3 seconds**
- Shown **in use** in a styled room — not unbox-only
- Creator on screen, hands-on, or POV
- Bright, clear footage; steady pacing; shots held long enough to see the product
- Simple on-screen text that reads with sound off

WE PASS ON

- **Carousels** and commercial-style spots
- Unboxing-only or product not clear
- Late/weak hooks; no creator presence
- Dark, chaotic, or hard-to-read footage/text
- Creative led by **sales, codes, or LTO**
