October Boosting Brief

What Paid is pulling on **Meta** and **TikTok** this month — plus how to make your reels boost-ready.

Town hall / monthly brief · October 2026

October priorities

Film for the platform you post on. Same creative bar everywhere: vertical, native, product-forward — not promo-led ads.

META

When	Pull
Early Oct	Fall & Halloween — decor, porch, dining; product in first 3 sec
Mid-late Oct	Holiday preview — trees, trim, guest-ready, entertaining
All month	Evergreen in-room, in-use stories

TIKTOK

Theme	Film this
Pet	Pet + product visible; pet-friendly furniture, beds, washable rugs
Sideboards	Styled dining / entry / living; in use, not unbox-only
Halloween	Livable at-home styling; strong opening hook
Wayfair Verified	Verified products; show badge when applicable

Both platforms: evergreen office, storage, bed & bath, outdoor living.

SELECTION

We receive more eligible posts than we can boost. October picks follow Paid priorities + creative fit. Posting eligible content **does not guarantee** boost — this brief is what teams align on each month.

From the Sept survey: clearer monthly direction was the top ask; **12 of 17** creators said more guidance would help them post consistently.
