

## Boosting Partnership — compensation & tiers

Wayfair Creators · paid boost on Meta & TikTok

### Eligibility

An **eligible post** meets program content standards (boosting guidelines), is in the boosting partnership, and includes **#WayfairCreator** and **#WayfairElevate** in the caption (plus **#ad** for disclosure when required).

### Tier activity (eligible posts per month)

| Tier   | Eligible posts / month | Notes                                                                      |
|--------|------------------------|----------------------------------------------------------------------------|
| Entry  | No program minimum     | Post eligible content with <b>#WayfairElevate</b> + <b>#WayfairCreator</b> |
| Tier 2 | 7 eligible posts       | Per calendar month; each post must meet eligibility rules above            |
| Tier 3 | 12 eligible posts      | Per calendar month; each post must meet eligibility rules above            |

Tier placement and monthly counts are tracked by the WBP team. Eligible ≠/selected for paid boost.

### Compensation

When your post is **selected to be boosted**, you receive compensation by **gift card** based on your tier. Rates are per **calendar month**.

| Tier   | First boost in a month | Each additional boost (same month) |
|--------|------------------------|------------------------------------|
| Entry  | \$100                  | \$50                               |
| Tier 2 | \$150                  | \$50                               |
| Tier 3 | \$200                  | \$75                               |

### Tier benefits

Pay goes up as you tier up — plus perks that help you post smarter and get more visibility.

## Entry

*You're in the program and creating boost-ready content.*

- **Get paid when you're selected** — gift card compensation for each boosted post (\$100 first / \$50 additional per month)
- **Monthly boosting brief** — see what Paid is looking for on Meta & TikTok before you film
- **Creator town halls** — live Q&A with the team; clarity on selection and creative direction

## Tier 2

*You're posting consistently and staying in the boost conversation.*

- **Higher boost pay** — \$150 first selection / \$50 each additional per month
- **\$25–\$50 bonus** on selected content when the program applies a performance or priority bonus
- **Category product gifting** — when a monthly brief needs specific content (e.g. sideboards for TikTok), we gift product in that category so you can film on brief without sourcing it yourself

## Tier 3

*You're a top partner — more pay, more reach, more access.*

- **Top boost rates** — \$200 first selection / \$75 each additional per month
- **@wayfaircreators exposure** — selected boosted posts can be shared to Wayfair's creator audience, not just your followers
- **Monthly highlight** — featured creator in program communications
- **Competitions & special challenges** — first access when we run linking, sales, or creative challenges with extra rewards
