

October Boosting Brief

OCTOBER OVERVIEW

Align your posts with what Paid is pulling this month. On **Meta**, we're continuing **fall / Halloween** into early October, then shifting to **holiday preview**. On **TikTok**, we're prioritizing **pet, sideboards, Halloween**, and **Wayfair Verified**. Evergreen in-room stories work on both platforms all month.

MESSAGING INSPIRATION

- 1 Hook in 1–3 seconds** — problem, benefit, or discovery; show the product immediately.
- 2 Product in use** — styled room, not unbox-only; one clear benefit or use case.
- 3 You on camera** — face-to-camera, hands-on, or POV for trust and demo.
- 4 Evergreen tone** — seasonal mood is fine; sale codes and promo graphics aren't our main boost pool.

DELIVERABLES CHECKLIST

- Vertical video, **15–45 seconds**, captioned (sound-off friendly)
- Your captions:
 - **Reels / TikTok**: include **#WayfairCreator** and **#wayfairelevate**
 - Add **#ad** when required for paid partnership disclosure
- Wayfair product clear and in use in a styled space
- Link in caption or bio (especially if product stickers fail)

APPENDIX

Content examples — boost-friendly (in room + in use)

Content examples — boost-friendly (clear product story)

Content examples — usually skipped (unboxing only)
