

October Boosting Brief

OCTOBER OVERVIEW

Align your posts with what Paid is pulling **this month**. On **Meta**, continue fall/Halloween into early October (product in the first 3 seconds), then shift to **holiday preview**. On **TikTok**, prioritize **pet**, **sideboards**, **Halloween**, and **Wayfair Verified**. **Evergreen** in-room, in-use stories work on both platforms all month.

MESSAGING INSPIRATION

- 1 Hook in 1–3 seconds** — problem, benefit, or discovery; show the product immediately
- 2 Product in use** — styled room, not unbox-only; one clear benefit
- 3 You on camera** — face-to-camera, hands-on, or POV
- 4 Evergreen** — seasonal mood is fine; sale/code-led posts aren't in our main boost pool

DELIVERABLES CHECKLIST

- Vertical video, **15–45 seconds**, captioned (sound-off friendly) — not a carousel
- Your captions:**
 - Reels/TikTok: **#WayfairCreator** and **#wayfairelevate**
 - #ad** when required
- Link in caption or bio if stickers fail

CORE VIDEO CRITERIA

We boost

- Creator-native **vertical video** — informal tone, bright clear footage
- Styled lived-in space; product visible early and **in use** (not unbox-only)
- One clear benefit; you on camera, hands-on, or POV
- Brisk pacing; simple, readable on-screen text (sound-off friendly)
- Evergreen stories — seasonal/GTM moments OK; not promo-led

We pass on

- Carousels** and commercial-style ads
- Unboxing-only or unclear product
- Weak/late hooks; missing creator presence
- Dark, chaotic footage; decorative or hard-to-read text
- Videos led by **sales, codes, or LTO** offers

APPENDIX

Content examples — boost-friendly
