October Boosting Brief

PROGRAM OVERVIEW

The Boosting Partnership turns your best **WCP Elevate** videos into paid ads on **Meta** and **TikTok**. We select native creator content — vertical, product-forward, and filmed in real spaces — not promo or sale-led spots.

CAMPAIGN OVERVIEW

October goal: align your posts with what Paid is pulling this month. Meta continues **fall / Halloween** into early October, then **holiday preview**; TikTok prioritizes **pet, sideboards, Halloween**, and **Wayfair Verified**. **Evergreen** in-room stories work on both platforms all month.

CONTENT WE LOVE

Meta • Fall & Halloween (early Oct)

Cozy decor, porch, dining, livable Halloween — product in the first 3 seconds.

Meta • Holiday preview (mid-late Oct)

Trees, trim, guest-ready rooms, entertaining — evergreen tone, no sale copy.

TikTok • Pet & sideboards

Pet-friendly pieces with pet + product visible; sideboards styled and in use.

TikTok • Halloween & Verified

At-home Halloween styling; feature Wayfair Verified products and badge when applicable.

MESSAGING INSPIRATION

1 Hook in 1–3 seconds — problem, benefit, or discovery; show the product immediately.

2 Product in use — styled room, not unbox-only; one clear benefit or use case.

3 You on camera — face-to-camera, hands-on, or POV for trust and demo.

4 Evergreen over promo — seasonal mood is fine; codes and sale graphics aren't our main boost pool.
