October Boosting Brief

OCTOBER OVERVIEW

Align your posts with what Paid is pulling **this month**. On **Meta**, we're continuing **fall / Halloween** into early October, then shifting to **holiday preview**. On **TikTok**, we're prioritizing **pet, sideboards, Halloween**, and **Wayfair Verified**. **Evergreen** in-room stories work on both platforms all month.

MESSAGING INSPIRATION

- 1 Hook in 1–3 seconds** — problem, benefit, or discovery; show the product immediately.
- 2 Product in use** — styled room, not unbox-only; one clear benefit or use case.
- 3 You on camera** — face-to-camera, hands-on, or POV for trust and demo.
- 4 Evergreen over promo** — seasonal mood is fine; codes and sale graphics aren't our main boost pool.
