October Boosting Brief

PROGRAM OVERVIEW

The Boosting Partnership turns your best **WCP Elevate** videos into paid ads on **Meta** and **TikTok**. We select native creator content — vertical, product-forward, and filmed in real spaces — not promo or sale-led spots.

MESSAGING INSPIRATION

Content should feel authentic and lived-in, with Wayfair product naturally part of the story.

- 1 Hook in 1–3 seconds** — problem, benefit, or discovery; show the product immediately.
- 2 Product in use** — styled room, not unbox-only; one clear benefit or use case.
- 3 You on camera** — face-to-camera, hands-on, or POV for trust and demo.
- 4 Evergreen over promo** — seasonal mood is fine; codes and sale graphics aren't our main boost pool.

CAMPAIGN OVERVIEW

October goal: align your posts with what Paid is pulling this month. Meta continues **fall / Halloween** into early October, then **holiday preview**; TikTok prioritizes **pet, sideboards, Halloween**, and **Wayfair Verified**. **Evergreen** in-room stories work on both platforms all month.

CONTENT WE LOVE

Meta · Fall & Halloween (early Oct)

Cozy decor, porch, dining, livable Halloween — product in the first 3 seconds.

Meta · Holiday preview (mid-late Oct)

Trees, trim, guest-ready rooms, entertaining — evergreen tone, no sale copy.

TikTok · Pet & sideboards

Pet-friendly pieces with pet + product visible; sideboards styled and in use.

TikTok · Halloween & Verified

At-home Halloween styling; feature Wayfair Verified products and badge when applicable.

Both · Evergreen

Office, storage, bed & bath, outdoor living — problem → product → benefit.
